

AbbVie Clinical Pharmacology Research Unit
Information Sheet
www.abbviephase1.com

Check In: August 26 or 27, 2019

Study drug and design:

AbbVie is testing an investigational drug, which is not approved by the Food and Drug Administration (FDA) or any health authority, and is not currently available on the market. The objective of this study is to determine safety, tolerability and pharmacokinetics (the amount of drug absorbed into your blood stream and how your body handles the drug) and pharmacodynamics (how the drug affects your body).

Minimum Subject Selection Criteria:

YOU may be eligible to take part in this clinical study if you meet the following conditions:

- ◆ Healthy men and women 30-65 years old.
- ◆ Females must be permanently surgically sterile or postmenopausal for 1 year.
- ◆ Average weight for height (BMI 18 to 32.0).
- ◆ Not taking any medications or herbal remedies or supplements.
- ◆ No history of any drug sensitivity or allergy.
- ◆ No history of drug or alcohol abuse for 24 months.
- ◆ Non-user of tobacco for at least 6 months.
- ◆ No blood or blood product donation after June 24, 2019.
- ◆ No other study participation after July 14, 2019.
- ◆ Must be 6 weeks away from last clinical study.

Screenings at ACPRU in Grayslake
with additional limited screening appointments available at:
University of Illinois Chicago Campus

Screening dates: *(To find out if you are suitable to take part in this clinical study)*

- ◆ August 16, 17 (Chicago), 19, and 20, 2019.
- ◆ **Additional screening dates may be available.**
- ◆ Screening appointments are between the hours of 07:30 A.M. and 10:30 A.M. and take approximately 3 hours.

Study dates: *(Please note that these dates and times are subject to change)*

Must complete all periods and/or outpatient visit(s).

CHECK IN: August 26 or 27, 2019 at 0700 A.M.

CHECK OUT: September 5 or 6, 2019 at approximately noon.

FOLLOW UP VISITS: Day 15, 29, 43, 57, 71, and 85 between 0800 A.M.

Additional follow-up assessments may be required on Study Days 113, 141, and 169 or later for safety. If this occurs you will be notified and compensated for your visit time and travel)

Stipend:

- ◆ **Screening:** \$75.00. (No compensation if urine drug/alcohol/cotinine screen is positive.)
- ◆ **Study:** \$9,540.00 (if selected and you complete the study).

If you need more information or to schedule a screening appointment, please call our recruiting office at (800) 827-2778.
