Study drug and design:
AbbVie is testing an investigational drug, which is not approved by the Food and Drug Administration (FDA) or any health authority, and is not currently available on the market. The object of this study is to assess the safety, tolerability and pharmacokinetics (the amount of drug absorbed into your blood stream and how your body handles the drug). You will receive this drug by IV infusion.

Minimum Subject Selection Criteria:
YOU may be eligible to take part in this clinical study if you meet the following conditions:

- Healthy men and women 18-55 years old.
- Females must be permanently surgically sterile or postmenopausal for one year.
- Average weight for height (BMI 18 to 29.9).
- Not taking any medications or herbal remedies or supplements.
- No history of any drug sensitivity or allergy.
- No history of drug or alcohol abuse for 12 months.
- Non-user of tobacco for at least 6 months.
- No blood or blood product donation after March 14, 2018.
- No other study participation after March 28, 2018.
- Must be 6 weeks prior or 5 half-lives away from last clinical study.

Screening dates: (To find out if you are suitable to take part in this clinical study)
- April 23, 24, 25, 26, 27, 30 and May 1, 2, 3, 2018
- Additional screening dates may be available.
- Screening appointments are between the hours of 7:30 a.m. and 10:30 a.m. and take approximately 3 hours.

Study dates: (Please note that these dates and times are subject to change)
Must complete all periods and/or outpatient visit(s).
CHECK IN: Tuesday May 8, Saturday May 12, Sunday May 13, Monday May 14, 2018, or Tuesday May 15, 2018 at 08:00 AM.
CHECK OUT: Thursday May 17, Monday May 21, Tuesday May 22, Wednesday May 23, 2018 or Thursday May 24, 2018 at approximately Noon.
OUTPATIENT: Day 11, 15, 22, 29, 36, 43, 57, 71, & 85

Stipend:
- Screening: $50.00. (No compensation if urine drug/alcohol/cotinine screen is positive or if you withdraw yourself from consideration after you have been screened.)
- Study: $6,450.00 (if selected and you complete the study).

If you need more information or to schedule a screening appointment, please call our recruiting office at (800) 827-2778.
